FALL 1931

Spokane, Washington

Dear Patrons:

The Fall of 1931 offers the lower unprecedented values. With the spirit of the times we have listed our items for fall planting at such prices that a flower lover can not help but be attracted; and at the same time, the high standard of quality has been maintained. We are grateful for the thousands of orders that our customers have given us in the past and are each prospective buyer that every order large or small will be executed to the best of our ability.
